

HOOTENANNY THEME

We'll have a hootenanny
Hootenanny Saturday night
We'll raise the roof and the rafters with song
Yell out your favorites
We'll sing 'em loud and strong
Come and bring your lady love along

We'll throw a hootenanny
Hootenanny Saturday night
And if you think we'll be rowdy, you're right!
We'll hoot and holler, and raise Almighty Cane
Every Saturday night!

ALL YOU FASCISTS BOUND TO LOSE

WOODY GUTHRIE

Well I'm gonna tell you fascists
And you may be surprised
The people in this world are getting organized
You're bound to lose, you fascists, bound to lose

*CHORUS: All you fascists bound to lose!
All you fascists bound to lose!
All you fascists bound to lose!
You're bound to lose! You fascists, bound to lose!*

There's people of every nation
Marching side by side
Marching 'cross these fields
Where a million fascists died *(CHORUS)*

Race hatred cannot stop us. This one thing I know
Your ICE raids and billionaire greed have got to go
(CHORUS)

We're going into battle. We don't need a gun
We'll end this world of slavery
Before this battle's won *(CHORUS)*

WEAVE ME THE SUNSHINE

PETER, PAUL AND MARY

They say that the tree of loving
Shine on me again
Grows on the bank of the river of suffering
Shine on me again

(CHORUS)

*Weave weave weave me the sunshine
Out of the falling rain
Weave me the hope of a new tomorrow
Fill my cup again (twice)*

If only I could heal your sorrow
Shine on me again
I'd help you to find your new tomorrow
Shine on me again *(CHORUS)*

Well I've seen the steel and concrete crumble
Shine on me again.
The proud and the mighty all have stumbled!
Shine on me again! *(CHORUS)*

Only you can climb that mountain.
Shine on me again
If you want to drink from the golden fountain
Shine on me again *(CHORUS)*

TONIGHT YOU BELONG TO ME

BILLY ROSE AND LEE DAVID

I know (I know)
You belong to somebody new
But tonight you belong to me

Although (although)
We're apart, your part of my heart
And tonight you belong to me

*Way down by the stream, how sweet it will seem
Once more just to dream in the moonlight
My honey I know*

(I know) with the dawn, that you will be gone
But tonight you belong to me

Way down, way down along the stream
How very, very sweet it will seem
Once more just to dream in the silvery moonlight
My honey I know

(I know) with the dawn, that you will be gone
But tonight you belong to me
Just to little old me

Way down by the stream...

MR. TAMBOURINE MAN

BOB DYLAN

*Hey, Mr. Tambourine Man, play a song for me
I'm not sleepy and there is no place I'm going to
Hey, Mr. Tambourine Man, play a song for me
In the jingle jangle morning I'll come following you*

Though I know that evening's empire
has returned into sand
Vanished from my hand
Left me blindly here to stand, but still not sleeping

My weariness amazes me
I'm branded on my feet
I have no one to meet
And the ancient empty street's too dead for
dreaming

*Hey, Mr. Tambourine Man, play a song for me
I'm not sleepy and there is no place I'm going to
Hey, Mr. Tambourine Man, play a song for me
In the jingle jangle morning I'll come following you*

Take me on a trip upon your magic swirling ship
My senses have been stripped
My hands can't feel to grip
My toes too numb to step
Wait only for my boot heels to be wandering

I'm ready to go anywhere
I'm ready for to fade
Into my own parade
Cast your dancing spell my way
I promise to go under it

*Hey, Mr. Tambourine Man, play a song for me
I'm not sleepy and there is no place I'm going to
Hey, Mr. Tambourine Man, play a song for me
In the jingle jangle morning I'll come following you*

Though you might hear laughing, spinning
swinging madly across the sun
It's not aimed at anyone
It's just escaping on the run
And but for the sky there are no fences facing

And if you hear vague traces
of skipping reels of rhyme
To your tambourine in time
It's just a ragged clown behind

I wouldn't pay it any mind
It's just a shadow you're seeing that he's chasing

Then take me disappearing
through the smoke rings of my mind
Down the foggy ruins of time
Far past the frozen leaves
The haunted frightened trees
Out to the windy beach
Far from the twisted reach of crazy sorrow

Yes, to dance beneath the diamond sky
With one hand waving free
Silhouetted by the sea
Circled by the circus sands
With all memory and fate
Driven deep beneath the waves
Let me forget about today until tomorrow

*Hey, Mr. Tambourine Man, play a song for me
I'm not sleepy and there is no place I'm going to
Hey, Mr. Tambourine Man, play a song for me
In the jingle jangle morning I'll come following you*

RIVER

BILL STAINES

I was born in the path of the winter wind
And raised where the mountains are old
Their springtime waters came dancing down
And I remember the tales they told

The whistling ways of my younger days
Too quickly have faded on by
But all of their memories linger on
Like the light in a fading sky

(CHORUS)

*River, take me along
In your sunshine, sing me a song
Ever moving and winding and free
You rolling old river
You changing old river
Let's you and me river run down to the sea*

I've been to the city and back again
I've been moved by some things that I've learned
Met a lot of good people
and I've called them friends
Felt the change when the seasons turned

I heard all the songs that the children sing
Listened to love's melodies
I've felt my own music within me rise
Like the wind in the autumn trees

(CHORUS)

Someday when the flowers are blooming still
Someday when the grass is still green
My rolling waters will round me bend
And flow into the open sea

So here's to the rainbow that's followed me here
And here's to the friends that I know
And here's to the song that's within me now
I will sing it wherever I go

(CHORUS)

HONEYCOMB

JIMMIE RODGERS

Honeycomb, Honeycomb

It's a darn good life and it's kinda funny
How the Lord made the bee
and the bee made the honey
And the honeybee looking for a home
And they called it a honeycomb

Then they combed the world and they gathered all
of the honeycomb into one sweet ball
And the honeycomb from a million trips
Made my baby's lips.

(CHORUS)

*Oh, Honeycomb, won't you be my baby
Well Honeycomb be my own
Got a hank o' hair and a piece o' bone
and made a walkin' talkin' honeycomb
Well, Honeycomb won't you be my baby
well Honeycomb be my own
What a darn good life when you got a wife
like honeycomb – Honeycomb*

And the Lord said now that I made a bee
I'm gonna look all round for a green green tree
And he made a little tree and I guess you heard
What then he made a little bird

And they waited around 'til the end of spring
Gettin' every note that the birdies sing
And they put it all into one sweet tome
For my honeycomb

(CHORUS)

And the Lord says now that I made a bird
I'm gonna look all round for a little ol' word
That sounds about sweet like turtledove
And I guess I'm gonna call it love

And He roamed the world a'looking everywhere
Getting love from here, love from there
And He put it all in a little ol' part
Of my baby's heart

(CHORUS)

BLUE SKIES

IRVING BERLIN

Blue skies smiling at me
Nothing but blue skies do I see
Bluebirds singing a song
Nothing but blue birds all day long

Never saw the sun shining so bright
Never saw things going so right
Noticing the days hurrying by
When you're in love, my, my how they fly

Those blue days all of them gone
Nothing but blue skies from now on

LET THE WILD WIND BLOW

TOM PAXTON

When the wind blows hard
And the trees all bend
It can make us wonder
If the storm will ever end

(CHORUS)

*Let the wild wind blow
Let it rain and then
The clouds will turn and go
And the sun will shine again*

When the skies grow darker
As dark as night
We come together
And we watch by candlelight *(CHORUS)*

See the lightning flashing
Hear the thunder clap
We hug each other
And we look for a friendly lap *(CHORUS)*

When the storm is over
We go out in the air
We look to the heavens
And we find a rainbow there *(CHORUS)*

ALL YOU NEED IS LOVE

THE BEATLES

Love love love, Love love love, Love love love

There's nothing you can do that can't be done
There's nothing you can sing that can't be sung
Nothing you can say
but you can learn how to play the game. It's easy

There's nothing you can make that can't be made
No one you can save that can't be saved
Nothing you can do
but you can learn how to be you in time. It's easy

All you need is love. All you need is love
All you need is love, love
Love is all you need

There's nothing you can know that isn't known
Nothing you can see that isn't shown
Nowhere you can be
That isn't where you're meant to be. It's easy

All you need is love. All you need is love
All you need is love, love
Love is all you need, love is all you need...

FAREWELL TO THE LIFE OF THE ROVER

NOEL MCLOUGHLIN

The old ways are changing, you cannot deny
The day of the traveller's over
There's nowhere to go
and there's nowhere to bide
So farewell to the life of the Rover

*(CHORUS) Farewell to the tent and the old caravan
To the tinker, the gypsy, the travelling man
Farewell to the life of the rover*

Farewell to the cant and the travelling tongue
Farewell to the Romany talking
The buying and selling, the old fortune-telling
The knock at the door and the hawking *(CHORUS)*

Farewell to the besoms of heather 'n broom
Farewell to the creel and the basket
The folks of today, they would far sooner pay
For a thing that's been made out of plastic

You've got to move fast to keep up with the times
For these days a man cannot donder
There's a by-law to say you must be on your way
And another to say you can't wander *(CHORUS)*

Farewell to the pony, the cob and the mare
The reins and the harness are idle
You don't need a strap when your breaking up scrap
So farewell to the bit and the bridle *(CHORUS)*

WHAT DID YOU LEARN IN SCHOOL TODAY?

PETE SEEGER

(CHORUS)
What did you learn in school today
dear little boy of mine
What did you learn in school today
dear little boy of mine?

I learned that Washington never told a lie
I learned that soldiers seldom die
I learned that everybody's free
That's what the teacher said to me
That's what I learned in school today
that's what I learned in school. *(CHORUS)*

I learned that policemen are my friends
I learned that justice never ends
I learned that murderers die for their crimes
Even if we make a mistake sometimes
That's what I learned in school today
That's what I learned in school. *(CHORUS)*

I learned our government must be strong
It's always right and never wrong
Our leaders are the finest men
And so we elect them again and again
That's what I learned in school today
That's what I learned in school *(CHORUS)*

I learned that wars are not so bad
I learned of the great ones we have had
We fought Iraq 'n Afghanistan
We fought Korea 'n Vietnam
We fought in Germany and in France
And someday I might get my chance
And that's what I learned in school today
That's what I learned in school!

WE THE PEOPLE SCHOONER FARE

CHORUS
We the people hand in hand
We, the people understand
That there's an answer, there's a way
We, the people have a say
So send the orders to prepare
That we, the people, do declare
Send the good news, send the word
We the people, will be heard
We, the people everywhere

There's a message in the air
And it's movin' across the land
If you listen you can hear it well, my friend
We know the time has come
To take our heads out of the sand
'Cause if we don't the chance might never come
again

The future is in reason, not in building ways of war
And the time has come for reason to be heard
The purpose of the people
Is what this declaration's for
And it's why our fathers told us word for word

(CHORUS)

We won't accept excuses, we won't accept the lies
Of those who'd lead our nations into hell
It's time to call their bluff
To say to them, enough's enough
It's time we all could hear the tolling of the bell

It's time to feed the hungry
And it's time to heal the pain
It's time to beat our weapons into plows
It's time to hear the voices
that have risen once again
It's the wisdom of the people clear and loud
Singing proud

(CHORUS)

We the People! We the People!
We the People everywhere!

(INTERMISSION)

HOOP-DEE-DOO

PERRY COMO

Hoop-dee-doo, hoop-dee-doo
I hear a polka and my troubles are through
Hoop-dee-doo, hoop-dee-dee
This kind of music is like Heaven to me
Hoop-dee-doo, hoop-dee-doo
It's got me higher than a kite
Hand me down my soup and fish
I am gonna get my wish
Hoop-dee-doin' it tonight

When there's a Trombone playin'
I get a thrill, I always will
When there's a concertina stretched about a mile
I always smile, 'cause that's my style

When there's a fiddle in the middle
Oh it really is a riddle how he plays a tune so sweet
Plays a tune so sweet that I could die
Lead me to the floor and hear me yell for more
'Cause I'm a Hoop-dee-doin' kind of guy

(Repeat from the top)

Hoop-dee-doo, hoop-dee-doo
I hear a polka and my troubles are through
Hoop-dee-doo, hoop-dee-dee
This kind of music is like Heaven to me
Hoop-dee-doo, hoop-dee-doo
It's got me higher than a kite
They're in clover, we're in bloom
When we're dancing give us room
Hoop-dee-doin' it tonight

Rain may fall and snow may come
Nothing's gonna stop us from
Hoop-dee-doin' it. Hoop-dee-doin' it
Hoop-dee-doin' it tonight!

TENNESSEE WALTZ

REDD STEWART AND PEE WEE KING

I was waltzing with my Darling
to the Tennessee Waltz
When an old friend I happened to see
I introduced them to my loved one
And while they were dancing
My friend stole my sweetheart from me

I remember the night and the Tennessee Waltz
Now I know just how much I have lost
Yes I lost my little darling
the night they were playing
The beautiful Tennessee Waltz

KISSES SWEETER THAN WINE

THE WEAVERS

(MEN)

When I was a young man and never been kissed
I got to thinking it over just what I had missed
So I got me a gal I kissed her and then
Oh lord then I kissed her again
(ALL) Oh-oh, kisses sweeter than wine
Oh-oh, kisses sweeter than wine

(WOMEN)

He asked me to marry and be his sweet wife
And we would be so happy the rest of our life
He begged and he pleaded like a natural man
And then, oh lord, I gave him my hand
(ALL) Oh-oh, kisses sweeter than wine
Oh-oh, kisses sweeter than wine

(MEN)

I worked mighty hard and so did my wife
Workin hand in hand to make a good life
With corn in the field and wheat in the bins
I was, oh lord the father of twins
(ALL) *Oh-oh, kisses sweeter than wine...*

(WOMEN)

Our children they numbered just about four
They all had sweethearts knocking at the door
They all got married and they didn't hesitate,
I was, oh lord the grandmother of eight
(ALL) *Oh-oh, kisses sweeter than wine...*

(ALL)

Now that we're old and ready to go
We get to thinkin' what happened a long time ago
We had a lot of kids, trouble and pain
But, oh lord, we'd do it again
Oh-oh, kisses sweeter than wine
Oh-oh, kisses sweeter than wine

FOUR STRONG WINDS

IAN TYSON

(CHORUS)

Four strong winds that blow lonely
Seven seas that run high
All those things that don't change come what may
And our good times are all gone
and I'm bound for movin' on
I'll look for you if I'm ever back this way

Think I'll go down to Alberta
Weather's good there in the fall
Got some friends that I can go to workin' for
Still I wish you'd change your mind
if I asked you one more time
But we've been through that
a hundred times or more (CHORUS)

If I get there 'fore the snow flies
And if things are goin' good
You could meet me if I sent you down the fare
But by then it would be winter
Not much for you to do
And those winds sure blow cold way out there

(CHORUS)

TOM DOOLEY

THE KINGSTON TRIO

(CHORUS)

Hang down your head Tom Dooley
Hang down your head and cry
Hang down your head Tom Dooley
Poor boy, you're bound to die

I met her on the mountain
There I took her life
Met her on the mountain
stabbed her with my knife (CHORUS)

This time tomorrow
Reckon' where I'd be
Hadn't a-been for Grayson
I'd been in Tennessee (CHORUS)

This time tomorrow
Reckon' where I'll be
Down in some lonesome valley
Hanging from a white oak tree (CHORUS)

Poor boy, you're bound to die
Poor boy, you're bound to die
Poor boy, you're bound to die

SUGARTIME

THE MCGUIRE SISTERS

Well...

Sugar in the morning, sugar in the evening
sugar at suppertime
Be my little sugar and love me all the time
Honey in the morning, honey in the evening
honey at suppertime
So, be my little honey and love me all the time

Put your arms around me, and swear by stars above
You'll be mine forever in a heaven of love.

Sugar in the morning, sugar in the evening,
sugar at suppertime
Be my little sugar and love me all the time.

(Repeat from the top)

Now Sugar time, is anytime
that you are near, cause you're so dear
So, don't you roam
Just be my honeycomb, (honeycomb, honeycomb)
And live in a heaven of love!

Sugar in the morning, sugar in the evening
sugar at suppertime
Be my little sugar and love me all the time

Honey in the morning, honey in the evening
honey at suppertime
So, be my little honey and love me all the time!

SENTIMENTAL JOURNEY

BUD GREEN, LESS BROWN, BEN HOMER

Gonna take a sentimental journey
Gonna set my heart at ease
Gonna make a sentimental journey
To renew old memories

Got my bag, I got my reservation,
Spent each dime I could afford
Like a child in wild anticipation
Long to hear that "All aboard"

(REFRAIN)

*Seven, that's the time we leave, at seven
I'll be waiting up for heaven
Counting every mile of railroad track
that takes me back*

Never thought my heart could be so yearny
Why did I decide to roam?
Gotta take that sentimental journey
Sentimental journey home

BAD MOON RISING

CREEDANCE CLEARWATER REVIVAL

I see a bad moon rising
I see trouble on the way
I see earthquakes and lightning
I see bad times today

(CHORUS)

*Don't go around tonight
'Cause it's bound to take your life
There is a bad moon on the rise
Don't go around tonight
'Cause it's bound to take your life
There is a bad moon on the rise*

I hear hurricanes a blowing
I know the end is coming soon
I fear rivers overflowing
I hear the voice of rage and ruin *(CHORUS)*

Hope you got your things together
Hope you are quite prepared to die
Looks like we're in for nasty weather
One eye is taken for an eye *(CHORUS)*

THE UNICORN SONG

SHEL SILVERSTEIN

A long time ago, when the earth was green
There were more kinds of animals
than you've ever seen
They'd run around free
while the earth was being born
The loveliest of all was the Unicorn

There was green alligators and long-necked geese
Some humpty-backed camels
and some chimpanzees
Some cats and rats and elephants,
but sure as you're born
The loveliest of all was the Unicorn

Now God seen some sinnin' and it gave Him pain
He said, "Stand back, I'm going to make it rain"
He said, "Hey, brother Noah, I'll tell you what to do
Build me a floating zoo"

And take some of them green alligators
and long-necked geese
Some humpty-backed camels
and some chimpanzees
Some cats and rats and elephants
but sure as you're born
Don't you forget my Unicorn"

Old Noah was there to answer the call
He finished up the Ark as the rain started fallin'
He marched in the animals two by two
And he called out as they went through

"Hey, Lord: I've got yer
Green alligators and long-necked geese
Some humpty-backed camels
and some chimpanzees
Some cats and rats and elephants
but Lord, I'm so forlorn
I just can't see no Unicorn"

Old Noah looked out to the driving rain
Them Unicorns were hiding, playing silly games

Kicking and splashing while the rain was pouring
Oh, them silly Unicorns

There was green alligators and long-necked geese
Some humpty-backed camels
and some chimpanzees
Noah cried, "Close the doors
'cause the rain is pourin'
And we just can't wait for no Unicorns"

The Ark started movin', it drifted with the tide
Them Unicorns looked up from the rocks and they
cried
And the waters came down
and sorta floated them away...
That's why you'll never see a Unicorn
To this very day

You'll see green alligators and long-necked geese
Some humpty-backed camels
and some chimpanzees
Some cats and rats and elephants
but sure as you're born
You're never gonna see no Unicorn

OLD CAPE COD

PATTI PAGE

If you're fond of sand dunes and salty air
Quaint little villages here and there
You're sure to fall in love with old Cape Cod

If you like the taste of lobster stew
Served by a window with an ocean view
You're sure to fall in love with old Cape Cod

*Winding roads that seem to beckon you
Miles of green beneath the skies of blue
Church bells chiming on a Sunday morn'
Remind you of the town where you were born*

If you spend an evening you'll want to stay
Watching the moonlight on Cape Cod Bay
You're sure to fall in love with old Cape Cod

Winding roads that seem to...

CAN'T HELP BUT WONDER WHERE I'M BOUND

TOM PAXTON

It's a long and dusty road
It's a hot and heavy load
And the folks I meet ain't always kind
Some are bad and some are good
Some have done the best they could
Some have tried to ease my troubled mind

(CHORUS)

*And I can't help but wonder where I'm bound
Where I'm bound*

Can't help but wonder where I'm bound

I've been wandering through this land
Just doin' the best I can
Tryin' to find what I was meant to do
And the people that I see
Look as worried as can be
And it looks like they are wonderin' too *(CHORUS)*

Now I had me a buddy back home
And he started out to roam
Now he's out by the Frisco Bay
And sometimes when I've had a few
His old voice comes ringin' through
I'm goin' out to see him some day *(CHORUS)*

If you see me passin' by
and you sit and you wonder why
And you wish that you were a rambler too
Nail your shoes to the kitchen floor
Lace 'em up and bar the door
Thank your stars for the roof that's over you

(CHORUS)

WHEN THE SHIP COMES IN

BOB DYLAN

Oh, the time will come up
When the winds will stop
And the breeze will cease to be breathin'
Like the stillness in the wind
Before the hurricane begins
The hour that the ship comes in

And the seas will split
And the ship will hit
And the sands on the shoreline will be shaking
Then the tide will sound
And the wind will pound
And the morning will be breaking

Oh, the fishes will laugh
As they swim out of the path
And the seagulls will be smiling
And the rocks on the sand
Will proudly stand
The hour that the ship comes in

And the words that are used
For to get the ship confused
Will not be understood as they're spoken
For the chains of the sea
Will have busted in the night
And will be buried at the bottom of the ocean

A song will lift
As the mainsail shifts
And the boat drifts on to the shoreline
And the sun will respect
Every face on the deck
The hour that the ship comes in
Then the sands will roll
Out a carpet of gold
For your weary toes to be a-touchin'
And the ship's women and men
Will remind you once again
That the whole wide world is watching

Oh, the foes will rise
With the sleep still in their eyes
And they'll jerk from their beds and think they're dreamin'
But they'll pinch themselves and squeal
And they'll know that it's for real
The hour when the ship comes in

Then they'll raise their hands
Sayin' we'll meet all your demands
But we'll shout from the bow "your days are numbered"
And like Pharaoh's tribe
They'll be drowned in the tide
And like Goliath, they'll be conquered!

THE GLORY OF LOVE

BILLY HILL

You've got to give a little, take a little
And let your poor heart break a little
That's the story of, that's the glory of love

You've got to laugh a little, cry a little
Before the clouds roll by a little
That's the story of, that's the glory of love

As long as there's the two of us
We've got the world and all its charms
And when the world is through with us
We've got each other's arms

You've got to win a little, lose a little
And always have the blues a little
That's the story of, that's the glory of love

As long as there's the two of us
We've got the world and all its charms
And when the world is through with us
We've got each other's arms

You've got to win a little, lose a little
And always have the blues a little
That's the story of, that's the glory of
That's the story of, that's the glory of
That's the story of, that's the glory of love

WE'LL MEET AGAIN

VERA LYNN

We'll meet again
Don't know where, don't know when
But I know we'll meet again some sunny day
Keep smiling through just like you always do
'til the blue skies chase the dark clouds far away

So will you please say hello to the folks that I know
Tell them I won't be long
They'll be happy to know that as you saw me go
I was singing this song

We'll meet again
Don't know where, don't know when
But I know we'll meet again some sunny day
